In this final newsletter for 2011 we have not one, not two but THREE promotions - our HACCP, Internal audit and H&S distance learning courses. We are also just embarking on an exciting project converting all our courses into e-learning format. These will be available along side our traditional paper-based courses but will have the added benefit of being accessible online anywhere in the world, at any time and exams will also be taken online - if you require details please contact us. All our existing materials will continue to be available for those who prefer the book version of the courses.
