[Free H&S Training](#)[HACCP Course promotion](#)[Stapless Stapler](#)[Level 4 Advanced Food Safety Course](#)[Allergen Course](#)[Contact Us](#)[Mailing List](#)**Dear Allsafe Customer,**

This month we have a link to a free H&S training tool and remember the fantastic offer on our HACCP course will stop at the end of March - so take advantage of it.

**FREE H&S training!** The HSE have developed a free eLearning training package called STEP. This specifically covers Slips and Trips, how they are caused and how to prevent them.

The package includes quizzes, videos, animations, case studies and interactive sequences.

There are specific modules for Food Manufacturing and Hospitality & Catering. With 3 levels - Introductory, Intermediate and Advanced.

We think this is a great learning tool you should take full advantage of. *Click on **Free H&S Training** on the menu for a direct link to the training.*

For the rest of March our **Foundation HACCP** course is reduced to £12:50. Don't forget this price includes the cost of exam and the course is CPD certificated material!

This provides formal, certificated training in HACCP for all those employed in the food industry who require an introduction and practical understanding of HACCP. It is also an ideal lead into higher level HACCP courses.

*Click on **HACCP Course Promotion** for full details and to order securely online.*

You may not be aware that we are a supplier of **Stapless Staplers**. Many companies are caught out on audits by having staples and staplers in food preparation and production areas. With this product there is no need for a stapler and the risk of potential physical contamination from staples is eliminated

**Next open courses:**

**Level 4 (Advanced) Food Safety** w/c 30th March 2009.
