Dear Allsafe Customer,

This is a brief newsletter just to update you on forthcoming courses.

Level 3 (Intermediate) HACCP for Food Manufacturing.

This is the level of HACCP training required by HACCP Team Leaders for BRC certificated companies. The course also provides essential information for HACCP team members, managers and supervisors in food manufacturing and catering.

The course uses a practical approach to underpin the theory of HACCP.

One of our 2008 trainees achieved HACCP Student of the Year in 2008!

We have kept the cost of the course as low as possible at £295 + VAT and Exam Fee. Compare this to other training providers - it is a fraction of the cost.

Click on **Level 3 (Intermediate) HACCP Course** for course plan and booking form.

Places are limited to 10 so book as soon as possible.

Level 4 (Advanced) Food Safety

Our next course is 21st - 25th September 2009.

There is the option to take either the Catering Level 4 exam or the Food Manufacturing level 4 exam.

Our last course was over subscribed so if interested please book early.

Click on **Level 4 Advanced Food Safety Course** on the menu for a link to full course details and booking form.

If there are any products or services your require or are finding difficult to obtain, just email your requirements and we will try to assist.
