Dear Allsafe Customer,

I hope you managed to have a good holiday this summer. We are back to it with a fantastic offer on our HACCP Distance learning course. We also have links to free training videos and free posters.

When all costs are going up at the moment we are doing our best to provide you with alternatives to established materials on the market. We have also maintained our product costs and give you links to useful information we have found.

We are starting September off with an unbeatable offer on our **HACCP Distance Learning Course**.

Remember under Regulation (EC) No 852/2004 there is a requirement for food business operators to ensure that **'those responsible for the development and maintenance of HACCP procedures have received adequate training in the application of the HACCP Principles'**. This applies to all food operators.

So to assist you meet this requirement we are reducing the cost of our Foundation HACCP course from £15:50 to £12:50 and don't forget this price includes the cost of exam and the course is RIPH certificated material! The course with its forward by Mark Proctor, Managing Director of EFSIS, is a 60 page full colour training course, written in a user friendly format to provide training in HACCP for all those employed in the food industry who require an introduction and practical understanding of HACCP. It is also an ideal lead into higher level HACCP courses. Click on **[HACCP Course Promotion](#)** for full details and to order.

.....

Following the great response to the Rapid Hygiene Testing Swabs we are maintaining this promotion for another month.

Click on **[Rapid Hygiene Testing Swab](#)** on the menu to order now.

.....

In the USA September is Food Safety Month, there are many resources on the web site - so take advantage of them. Don't spend £100's on training DVD's when you can make use of FREE material. There are also free posters to download. For the link to the free 'Application of Risk Analysis to Food Safety' online video Click on **[Risk Analysis Video](#)** on the menu. For free posters which you can download, click on **[Free Posters](#)** on the menu. The Food Standards Agency also have the Safer Food Better Business DVD available online this includes many translations. Click on **[SFBB online DVD](#)** to access this material. Make use of these materials and save yourself some money!

.....

At the time of writing we have 3 places left on our **[Level 4 \(Advanced\) Food Safety course](#)** which starts on 29th September. If you are aware of anyone who requires this level of training please forward this email. Click on **[Level 4 \(Advanced\) Food Safety course](#)** on the menu for full details of the course.

.....

Finally, we are highlighting two additional products in our range. The first is the ALLSAFE Food Hygiene Board Game, a great resource and fun method of getting the food safety message across whether you are a trainer or just need some new resources to promote food safety in your workplace. Click on **[Food Safety Board Game](#)** for details.

We also supply stapless staplers to ensure you are not at risk from loose staples in your food production or preparation area. Check these out by clicking **[Stapless Stapler](#)** on the menu.
