We hope you all had a great Christmas and New Year. To start the New Year off we have a special offer on our HACCP distance learning course.

HACCP course promotion

For the month of January our Foundation HACCP course is reduced to £12:50. Don't forget this price includes the cost of the exam and the course is CPD certificated material! The course provides formal, certificated training in HACCP for all those employed in the food industry who require an introduction and practical understanding of HACCP. It is also an ideal lead into higher level HACCP courses. Click on [HACCP Course Promotion](#) on the menu for full details and to order securely online.

FSSC 22000

This is the latest food safety certification scheme based on the existing internationally recognised standard ISO 22000 and the publicly available specification for Prerequisite programs on food safety for food manufacturing, BSI PAS 220: 2008. This standard specifically targeted at the food manufacturing sector. Click on [FSSC 22000](#) for a link to more information on this standard. We will be providing FSSC 22000 gap analysis and a new management pack on this standard in the new year.

Charity for 2010

Our supported charity for 2010 is SSAFA. This is a national charity helping serving and ex-Service men, women and their families, in need.
