Dear Allsafe Customer,

May we take this opportunity to wish you all the very best for the New Year. To start the New Year off we teamed up with ETI Limited again to offer you excellent prices on a range of thermometers. This promotion starts from today but must finish on 28th February 2009 so take advantage of these prices whilst you can.

Ecotemp Thermometer - this budget priced thermometer features a large, easy to read LCD display with display hold and max/min memory functions. Perfect for a busy kitchen, catering or manufacturing environment. **Promotional cost £20:00** (List price £23:50).

Click on **Ecotemp Thermometer** on the menu for full details and secure online ordering.

Thermacheck Thermometer - this robust thermometer has been specifically designed for use in the food manufacturing and catering industry to cope with routine day-to-day usage.

Promotional cost £54:50 (List price £64:00).

Click on **ThermaCheck Thermometer** on the menu for full details and secure online ordering.

Theradata Logger with Software and USB lead - for continuous recording which you can download via a USB cable to your PC. Ideal for monitoring of chillers, freezers and temperature controlled transport. This cost effective, self-contained temperature data-logger or blind recording thermometer is designed to record the temperature of the surrounding environment. The recording time and sample rate can be easily selected from the software and, unlike most low cost loggers, the ThermaData logger will continue recording during and after downloading the data.

Promotional cost £64:50 (List price £76:00).

Click on **Datalogger, Lead and Software** on the menu for full details and secure online ordering.

If you already have the software and USB cable and just want to purchase more dataloggers for continuous recording Click on **Datalogger** on the menu.

Promotional cost £32.50 (List price £38:00).

TN2 Infrared Thermometer

The TN2 is possibly the smallest non-contact infrared thermometer with laser alignment on the market today. Simply aim the thermometer at the target and press the read button to display the surface temperature. The TN2 indicates temperature over the range of -33 to +250°C with a resolution of 0.1°C.

Click on **Infrared Thermometer** on the menu for full details and secure online ordering.

Promotional cost £27:25(List price £32).

Probe wipes

Large tub of probe wipes (150 wipes per tub)

Promotional cost £5.10 (List price £6:00).

Click on **Probes Wipes** on the menu for full details and secure online ordering.

Take advantage of these low prices by clicking on the relevant product on the menu and place your order.

The Induction Food Hygiene and Health & Safety PowerPoint presentation is now available - full details can be found on our web site soon. This provides essential induction level training suitable for all food handlers. Cost £90 + VAT with exams at £3 each.
